ORDER

JESSE M. FURMAN, United States District Judge:

On March 18, 2016, Plaintiff Mary McCambell filed a shareholder derivative complaint against Anavex Life Sciences Corp. (“Anavex”) and its officers in 16-CV-2035. PLSRA Lead Plaintiff motion practice is underway in 15-CV-10162, which involves claims of securities fraud against Anavex relying on substantially similar allegations of misconduct. As of this Order, no motion for consolidation has been filed, but 16-CV-2035 has been accepted by the Court as related to 15-CV-10162, and the cases appear to involve common questions of law and fact.

The Court is inclined to consolidate the cases, at least for pretrial purposes. The parties in each case are directed to file letters no later than **March 28, 2016**, not to exceed three single-

spaced pages each, indicating their views on whether the cases should be consolidated and discussing whether consolidation would or should have any effect on the appointment of Lead Plaintiff or other proceedings in 15-CV-10162.

It is further ORDERED that Plaintiff in 16-CV-2035 shall promptly serve a copy of this Order on each of the defendants in that case and file proof of service on the docket.

SO ORDERED.
